Enclosure No.

His No.14073/L.B.(P)21 dated the 7th April 1903, observing certain discrepancies in the number of Police constables attached to the Kadur District.

In reply has the honor to state that out of the sanctioned strength only two first class constables were entertained and not six as stated in the statement already sent; the mistake was due, the Deputy Commissioner reports, to a clerical error which occurred in his office. A copy of the revised statement is however herewith sent, according to which it is requested that orders may be issued.

The delay in furnishing the information is due to the non-receipt of the information from the Deputy Commissioner

Commissioner till 2nd July 1903.
